

Training on social accountability tools

Venue: Kathmandu, Nepal
September 17-21, 2012

Building capacity of people interested in social accountability mechanism is one of the mandates of community of practice on social accountability (CoPSA) with an objective of increasing number of people having expertise in social accountability tools so that more and more knowledge would be created through using social accountability tools and generating new pool of knowledge. This will help in spreading, institutionalising and innovating social accountability.

In this direction, CUTS International, the regional anchor of CoPSA in partnership with Affiliated Network on Social Accountability –South Asia Region (ANSA SAR) is announcing a 4-day capacity building programme on Social Accountability Tools. The training is particularly designed for mid-level staffs like programme & project managers, officers and coordinators from development organizations those are working on the issue of governance, transparency and accountability.

The training will mainly focus on tools such Community Score Card (CSC), Citizens Report Card (CRC), Participatory Expenditure Tracking Survey (PETS), Right to Information etc. and will be dealt by internationally recognized resource persons. The medium will be English.

The seats are limited according to the available budget and cost involved per candidate and preference will be given to the second line managers and coordinators who are responsible for delivering social accountability work. The venue will be Kathmandu, Nepal and the period for training would be September 17-21, 2012.

If you or any of the colleagues in your organisation is interested in attending the training, please fill up the attached application form and send it to us on or before July 15, 2012. The selection of participants will be done based on the review of the duly filled application and taking into consideration the geographical representation.

All cost related to travel, accommodation and food of the selected participants will be borne by CUTS under CoPSA.
