Dear Sir

**Depositor Education and Awareness (DEA) Fund Scheme, 2014: Application seeking financial assistance from DEA fund - Renewal of Registration**

Please refer to our letter dated September 26, 2022 and to your application on the captioned subject.

2. We are pleased to advise that registration of your organization with DEA Fund has been renewed for three years effective from the date of this letter, subject to your acceptance of the rules codified as given at **Annex I**. We forward herewith two standard modules; a Mandatory Module and an Optional Module which are the guiding documents for the programmes. The Mandatory Module primarily covers topics for creating a general awareness about banking and the other benefits a depositor derives from the banking system. Hence, all the topics mentioned under this module "shall be mandatorily" covered in all the programmes. The other aspects contained in the Optional Module may be supplemented based on the profile of the target group.

3. In this regard, you are advised to forward a letter of acceptance of the codified rules along with proposal for conduct of full scale DEA programmes, in the prescribed format as given in **Annex II and III, within three weeks** from the date of receipt of this letter.

Yours faithfully

(Manoj Mathur)  
Deputy General Manager
